

**Artenliste: Wiese Nummer 6 (W6 - Code 2.2.14.1)**

**Anhang Tab. A-7**

südwestseits genehmigter Abbaufäche Rchtg. Rubenheim, westlich W7

RL	SL	Grasartige-Grünlandarten	H/D	RL	SL	Kräuter-Grünlandarten	H/D
		Agropyron repens				Bunium bulbocastanum	
		Alopecurus pratensis				Calamintha clinopodium	
		Anthoxanthum odoratum	+			Calystegia sepium	
		Arrhenatherum elatius	1			Campanula rapunculus	+
		Avena pubescens	+			Campanula rotundifolia	
		Brachypodium pinnatum				Carlina vulgaris	r
		Brachypodium sylvaticum				Centaurea jacea	1
<b>3</b>		Briza media	1			Centaurea scabiosa	
		Bromus commutatus				Centaureum erythraea	
		Bromus erectus	3			Cerastium glomeratum	
		Bromus mollis				Cerastium holosteoides	
<b>3</b>		Carex caryophylla		<b>V</b>		Cirsium acaule	1
		Carex flacca	1			Cirsium tuberosum	
<b>3</b>		Carex panicea	+			Colchicum autumnale	
		Carex sylvatica				Convolvulus arvensis	
<b>V</b>		Carex tomentosa	r			Crepis biennis	
		Cynosurus cristatus				Daucus carota	+
		Dactylis glomerata	+			Epipactis sp. juv. (helleborine ?)	
		Festuca arundinacea	+			Euphorbia cyparissias	
		Festuca ovina agg.		<b>3</b>		Falcaria vulgaris	
		Festuca pratensis	1			Filipendula ulmaria	
		Festuca rubra agg.	r			Fragaria vesca	
		Holcus lanatus	1			Galium album	1
		Koehleria pyramidata	+			Galium verum	+
		Lolium perenne				Geranium columbinum	
		Luzula campestris	r			Glechoma hederacea	
		Phleum pratense agg.				Heracleum sphondylium	
		Poa pratensis agg.				Hieracium pilosella	
		Poa trivialis	1			Himanthoglossum hircinum	
		Trisetum flavescens	1	<b>3</b>		Hippocrepis comosa	1
						Hypericum perforatum	
						Hypericum hirsutum	
						Inula salicina	
						Knautia arvensis	
						Lathyrus pratensis	
						Lathyrus sylvestris	
						Leontodon hispidus	r
						Leucanthemum vulgare agg.	1
				<b>V</b>		Linum catharticum	+
				<b>V</b>		Listera ovata	r
						Lotus corniculatus	1
						Malva moschata	
						Medicago lupulina	+
						Medicago sativa	
				<b>3</b>		Melampyrum arvense	
						Mentha arvensis	
						Onobrychis viciifolia	+
						Ononis repens	+
						Ophrys apifera	r
<b>V</b>		Anthyllis vulneraria	+	<b>V</b>		Ophrys holosericea	
		Barbarea vulgaris		<b>V</b>		Orchis mascula	
		Bellis perennis				Orchis militaris	
		<b>Grasartige-Störzeiger</b>					
		Alopecurus myosuroides					
		Bromus arvensis					
		Bromus inermis					
		Bromus secalinus					
		Bromus sterilis					
		Calamagrostis epigejos					
		Hordeum distichon					
		Triticum aestivum					
		<b>Kräuter-Grünlandarten</b>					
		Achillea millefolium agg.	+				
		Agrimonia eupatoria	+				
		Ajuga reptans					
		Allium oleraceum					
		Allium vineale					
		Anacamptis pyramidalis					
		Anthriscus sylvestris					

RL SL	Kräuter-Grünlandarten	H/D
2	Orchis morio	
	Orchis purpurea	
	Origanum vulgare	
	Pastinaca sativa	
3	Peucedanum carvifolia	
	Picris hieracioides	
	Pimpinella saxifraga	
	Plantago lanceolata	+
	Plantago media	+
	Polygala comosa	+
	Potentilla reptans	
	Potentilla sterilis	
3	Primula veris	+
3	Prunella laciniata	+
	Prunella vulgaris	
	Ranunculus acris	
	Ranunculus bulbosus	r
	Ranunculus repens	
V	Rhinanthus alectorolophus	r
	Rhinanthus minor	+
	Rumex acetosa	
	Rumex crispus	r
3	Salvia pratensis	+
	Sanguisorba minor	1

	Vicia cracca	+
	Vicia hirsuta	
	Vicia sepium	
	Vicia tetrasperma	
	Viola hirta	

#### H/D: Häufigkeit/Deckungsgrad

r: 1 bis 3 Individuen

+: 4 bis 30 Individuen

1: > 30 Individuen, Deckung < 5 %

2: Deckung 5 - 25 %

3: Deckung 26 - 50 %

#### RL SL Kräuter - grünlandtypische Störzeiger

	Cichorium intybus	
	Cirsium arvense	1
	Epilobium hirsutum	
	Equisetum arvense	
	Eupatorium cannabinum	
	Geum urbanum	
	Lathyrus tuberosus	
	Myosotis arvensis	
	Plantago major	
	Rubus fruticosus agg.	
	Tanacetum vulgare	
	Urtica dioica	

#### Kräuter - sonstige Störzeiger

	Anthemis ruthenica	
	Brassica napus	
	Capsella bursa-pastoris	
	Cirsium vulgare	
	Dipsacus fullonum	
	Erigeron annuus	
	Euphorbia stricta	
	Geranium dissectum	
	Geranium pusillum	
	Geranium pyrenaicum	
	Lactuca scariola	
	Lapsana communis	
V	Lathyrus aphaca	
	Lepidium campestre	
	Linaria vulgaris	
	Mercurialis annua	
	Papaver rhoeas	
	Rumex sanguineus	
	Sinapis arvensis	
	Sisymbrium officinale	
	Sonchus arvensis	
	Sonchus asper	
	Sonchus oleraceus	
	Tripelurospermum inodoratum	
	Tussilago farfara	
	Viola arvensis	

#### Gehölze

	Acer campestre juv.
	Acer pseudoplatanus juv.
	Clematis vitalba
	Cornus sanguinea juv.
	Crataegus sp. juv.
	Ligustrum vulgare juv.
	Prunus avium juv.
	Prunus spinosa
	Quercus sp. juv.
	Rosa canina juv.
