

RL SL	Kräuter-Grünlandarten	H/D	RL SL	Kräuter - grünlandtypische Störzeiger
2	Orchis morio			Cichorium intybus
	Orchis purpurea			Cirsium arvense
	Origanum vulgare			Epilobium hirsutum
	Pastinaca sativa			Equisetum arvense
3	Peucedanum carvifolia			Eupatorium cannabinum
	Picris hieracioides			Geum urbanum
	Pimpinella saxifraga			Lathyrus tuberosus
	Plantago lanceolata	+		Myosotis arvensis
	Plantago media	1		Plantago major
	Polygala comosa	r		Rubus fruticosus agg.
	Potentilla reptans	+		Tanacetum vulgare
	Potentilla sterilis			Urtica dioica
3	Primula veris	r		
3	Prunella laciniata			<b>Kräuter - sonstige Störzeiger</b>
	Prunella vulgaris			Anthemis ruthenica
	Ranunculus acris	+		Brassica napus
	Ranunculus bulbosus	+		Capsella bursa-pastoris
	Ranunculus repens			Cirsium vulgare
V	Rhinanthus alectorolophus			Dipsacus fullonum
	Rhinanthus minor			Erigeron annuus
	Rumex acetosa			Euphorbia stricta
	Rumex crispus	r		Geranium dissectum
3	Salvia pratensis			Geranium pusillum
	Sanguisorba minor	+		Geranium pyrenaicum
V	Scabiosa columbaria			Lactuca scariola
	Senecio erucifolius			Lapsana communis
	Senecio jacobaea	r	V	Lathyrus aphaca
3	Silaum silaus			Lepidium campestre
	Solidago canadensis			Linaria vulgaris
	Solidago virgaurea			Mercurialis annua
	Taraxacum officinale agg.	1		Papaver rhoeas
	Thymus pulegioides			Rumex sanguineus
	Tragopogon pratensis			Sinapis arvensis
	Trifolium campestre			Sisymbrium officinale
	Trifolium dubium			Sonchus arvensis
	Trifolium hybridum			Sonchus asper
	Trifolium medium			Sonchus oleraceus
3	Trifolium ochroleucum			Tripelurospermum inodoratum
	Trifolium pratense	1		Tussilago farfara
	Trifolium repens	+		Viola arvensis
	Valeriana officinalis agg.			
	Veronica arvensis	r		<b>Gehölze</b>
	Veronica chamaedrys			Acer campestre juv.
	Veronica serpyllifolia			Acer pseudoplatanus juv.
	Vicia angustifolia	+		Clematis vitalba
	Vicia cracca			Cornus sanguinea juv.
	Vicia hirsuta			Crataegus sp. juv.
	Vicia sepium			Ligustrum vulgare juv.
	Vicia tetrasperma			Prunus avium juv.
	Viola hirta			Prunus spinosa
				Quercus sp. juv.
				Rosa canina juv.
