

Artenliste: Wiese Nummer 8 (W8 - Code 2.2.14.1)
 ostseits Abbauabschnitt 2 (und 5) Rchtg. Wolfersheim

Anhang Tab. A-7

RL	SL	Grasartige-Grünlandarten	H/D	RL	SL	Kräuter-Grünlandarten	H/D
		Agropyron repens				Bunium bulbocastanum	
		Alopecurus pratensis				Calamintha clinopodium	
		Anthoxanthum odoratum	1			Calystegia sepium	
		Arrhenatherum elatius	2			Campanula rapunculus	+
		Avena pubescens	+			Campanula rotundifolia	+
		Brachypodium pinnatum				Carlina vulgaris	
		Brachypodium sylvaticum				Centaurea jacea	+
3		Briza media	+			Centaurea scabiosa	
		Bromus commutatus				Centaureum erythraea	
		Bromus erectus	1			Cerastium glomeratum	
		Bromus mollis				Cerastium holosteoides	r
3		Carex caryophylla		V		Cirsium acaule	+
		Carex flacca	1			Cirsium tuberosum	r
3		Carex panicea				Colchicum autumnale	
		Carex sylvatica				Convolvulus arvensis	1
V		Carex tomentosa				Crepis biennis	r
		Cynosurus cristatus				Daucus carota	r
		Dactylis glomerata	1			Epipactis sp. juv. (helleborine ?)	
		Festuca arundinacea	+			Euphorbia cyparissias	
		Festuca ovina agg.		3		Falcaria vulgaris	
		Festuca pratensis	1			Filipendula ulmaria	
		Festuca rubra agg.				Fragaria vesca	
		Holcus lanatus	2			Galium album	1
		Koeleria pyramidata	r			Galium verum	r
		Lolium perenne	+			Geranium columbinum	r
		Luzula campestris	r			Glechoma hederacea	
		Phleum pratense agg.				Heracleum sphondylium	r
		Poa pratensis agg.				Hieracium pilosella	
		Poa trivialis	1			Himanthoglossum hircinum	
		Trisetum flavescens	1	3		Hippocrepis comosa	
						Hypericum perforatum	r
						Hypericum hirsutum	
						Inula salicina	
						Knautia arvensis	r
						Lathyrus pratensis	r
						Lathyrus sylvestris	
						Leontodon hispidus	r
						Leucanthemum vulgare agg.	+
				V		Linum catharticum	
				V		Listera ovata	
						Lotus corniculatus	1
						Malva moschata	
						Medicago lupulina	+
						Medicago sativa	
				3		Melampyrum arvense	
						Mentha arvensis	
						Onobrychis viciifolia	+
						Ononis repens	1
						Ophrys apifera	
V		Anthyllis vulneraria		V		Ophrys holosericea	
		Barbarea vulgaris		V		Orchis mascula	
		Bellis perennis				Orchis militaris	

RL SL	Kräuter-Grünlandarten	H/D
2	Orchis morio	
	Orchis purpurea	
	Origanum vulgare	
	Pastinaca sativa	
3	Peucedanum carvifolia	
	Picris hieracioides	
	Pimpinella saxifraga	
	Plantago lanceolata	+
	Plantago media	+
	Polygala comosa	
	Potentilla reptans	+
	Potentilla sterilis	
3	Primula veris	
3	Prunella laciniata	
	Prunella vulgaris	r
	Ranunculus acris	
	Ranunculus bulbosus	+
	Ranunculus repens	
V	Rhinanthus alectorolophus	r
	Rhinanthus minor	1
	Rumex acetosa	+
	Rumex crispus	
3	Salvia pratensis	+
	Sanguisorba minor	1
V	Scabiosa columbaria	
	Senecio erucifolius	r
	Senecio jacobaea	r
3	Silaum silaus	+
	Solidago canadensis	
	Solidago virgaurea	
	Taraxacum officinale agg.	+
	Thymus pulegioides	
	Tragopogon pratensis	+
	Trifolium campestre	r
	Trifolium dubium	
	Trifolium hybridum	
	Trifolium medium	+
3	Trifolium ochroleucum	r
	Trifolium pratense	1
	Trifolium repens	
	Valeriana officinalis agg.	
	Veronica arvensis	
	Veronica chamaedrys	
	Veronica serpyllifolia	
	Vicia angustifolia	r
	Vicia cracca	+
	Vicia hirsuta	
	Vicia sepium	r
	Vicia tetrasperma	
	Viola hirta	

H/D: Häufigkeit/Deckungsgrad

r: 1 bis 3 Individuen

+: 4 bis 30 Individuen

1: > 30 Individuen, Deckung < 5 %

2: Deckung 5 - 25 %

3: Deckung 26 - 50 %

RL SL	Kräuter - grünlandtypische Störzeiger	
	Cichorium intybus	
	Cirsium arvense	+
	Epilobium hirsutum	
	Equisetum arvense	
	Eupatorium cannabinum	
	Geum urbanum	
	Lathyrus tuberosus	
	Myosotis arvensis	
	Plantago major	
	Rubus fruticosus agg.	
	Tanacetum vulgare	
	Urtica dioica	r

Kräuter - sonstige Störzeiger

	Anthemis ruthenica	
	Brassica napus	
	Capsella bursa-pastoris	
	Cirsium vulgare	
	Dipsacus fullonum	
	Erigeron annuus	
	Euphorbia stricta	
	Geranium dissectum	r
	Geranium pusillum	
	Geranium pyrenaicum	
	Lactuca scariola	
	Lapsana communis	
V	Lathyrus aphaca	
	Lepidium campestre	
	Linaria vulgaris	
	Mercurialis annua	
	Papaver rhoeas	
	Rumex sanguineus	
	Sinapis arvensis	
	Sisymbrium officinale	
	Sonchus arvensis	
	Sonchus asper	
	Sonchus oleraceus	
	Tripelurospermum inodoratum	
	Tussilago farfara	
	Viola arvensis	

Gehölze

	Acer campestre juv.
	Acer pseudoplatanus juv.
	Clematis vitalba
	Cornus sanguinea juv.
	Crataegus sp. juv.
	Ligustrum vulgare juv.
	Prunus avium juv.
	Prunus spinosa
	Quercus sp. juv.
	Rosa canina juv.

4: Deckung 51 - 75 %

5: Deckung 76 - 100 %
